Unable to let down her fans, Lara Croft returns this Fall for the third installment of Tomb Raider – an action-packed, globe-trotting effort to surpass her two previous adventures. Tomb Raider III sees Lara off to even more exotic worldwide locations – from the blistering deserts of Nevada's mysterious Area 51 to the lush islands of the South Pacific. And now, gamers can choose their own destiny by selecting the order in which they play each of the four different adventures. With unparalleled gameplay, mind-blowing graphics, and a superstar heroine, Tomb Raider III keeps the Lara phenomenon going strong!

Tomb Raider III™

ACTION / ADVENTURE

CORE

KEY FEATURES

- Revamped game engine includes a new triangular landscape system for richer terrain detail.
- New reflection system for realistic transparencies and shadows.
- Vastly improved AI system for Lara's numerous enemies.
- Amazing new special effects including rain, snow, fire and other lustrous lighting effects.
- Lara shows off a host of new moves that get her out of sticky situations – including a speed dash, monkey swing, and crawl.
- Play the first set of levels and choose your next adventure from the remaining three sets.
- PlayStation® version features dual shock analog control and ground-breaking high-resolution graphics seen for the first time on the platform.

Prepare yourself for non-stop action and adventure as you enter the world of Lara Croft, the undisputed queen of female super heroes! Check out all four Tomb Raider releases – the original Tomb Raider, Tomb Raider II, Tomb Raider Gold, and the upcoming Tomb Raider III – and see why more than 9 million people worldwide are hooked on Lara. Immerse yourself in gorgeous 3D worlds and visit exotic locations featuring countless weapons and baddies, challenging puzzles, and plenty of surprises along the way. Complete your TR collection today!

- Each Tomb Raider title stars the unstoppable Lara Croft, and features its own variety of exotic settings, new moves, enemies, weapons, and puzzles.
- More than 3 million units have been sold worldwide. Tomb Raider has been published in more than 55 countries and in six different languages.
- Tomb Raider is one of the most popular gaming sites online, with more than 50,000 hits a day.

Tomb RaiderTM Series

ACTION / ADVENTURE

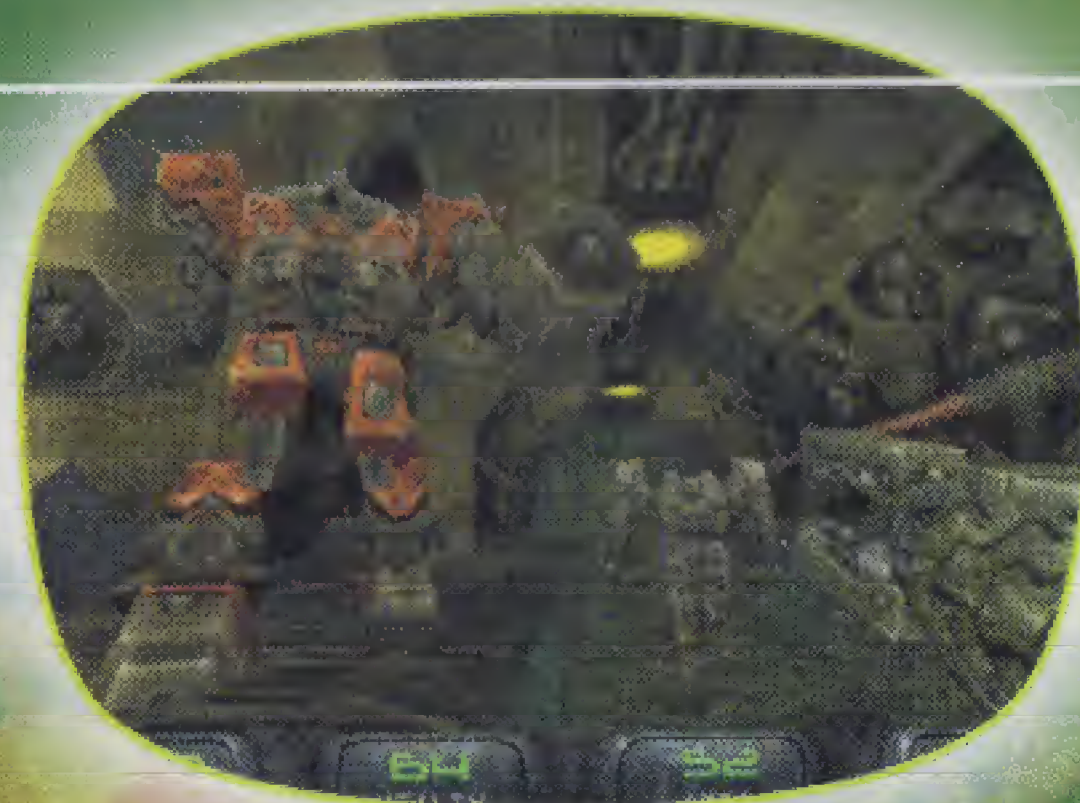

Wield the mighty Daikatana, an ancient Japanese Samurai Sword, through four distinctive time periods ranging from the Dark Ages to post-apocalyptic San Francisco. Encounter an unprecedented 64 monsters and 32 weapons in a gorgeously-rendered 3D world that incorporates new art palettes, new music, and new characters in each of its 32 perfectly-detailed levels. Your character, Hiro Miyamoto, is joined by two computer-controlled sidekicks, the beautiful Mikiko Ebihara and Superfly Johnson, who aid you in your epic quest to set history straight.

ACTION / ADVENTURE

ION
STORM

PC
CD

KEY FEATURES

- Created by the legendary John Romero, of DOOM™, QUAKE™ and ID Software fame.
- Utilizes ID Software's Quake II Unified Engine Technology.
- Easy multiplayer connections for free / commercial internet and modem play.
- Incredible Artificial Intelligence for all characters including voice communications between you and your computer-controlled sidekicks.
- Each of the four episodes provides distinctive environments, weapons, art, music and creatures.

Anachronox is a breath-taking new 3D, third-person, Sci-Fi RPG from ION Storm. Control up to three characters at a time, from an eventual cast of seven, as you explore the galaxy and three different dimensions. Investigate bizarre futuristic environments, melee with galactic foes, and discover unique weapons and objects that aid you on your quest to find the truth. As an epic story line unfolds, control your own destiny by choosing the characters you play and the manner in which you accomplish tasks. Explore a fantastic world of the future, where surprises await around every turn.

Anachronox™

ROLE PLAYING

PC
CD

ION
STORM™

KEY FEATURES

- Search through more than a hundred levels and fight over 150 monsters in your quest to find the truth behind a troubling galactic mystery.
- Utilizes a heavily-enhanced version of the Quake™ II engine.
- Features real 3D battle sequences in context.
- Full speech for all characters; lip-synched dialogue during in-game cinematics.
- Features an epic story line with endless surprises and a roller coaster of emotion.
- Make your own weapons with the modular Elementor weapon system featuring hundreds of amazing weapons effects.

The year is 2052 and the world is a dangerous and chaotic place where terrorists operate openly, killing thousands. In this thrilling roleplaying adventure, you play the part of a powerful, nano-technologically augmented, anti-terrorist agent. To defeat your enemies, you must travel the globe on a quest for knowledge, develop your character's strengths, build a network of allies, and determine when stealth and strategy are more important than action. And each time you think you've got the game figured out, there's another, deeper mystery to be unraveled. You will never know who to trust, who is in on the conspiracy and who is innocent. Maybe no one is...

DEUS EX

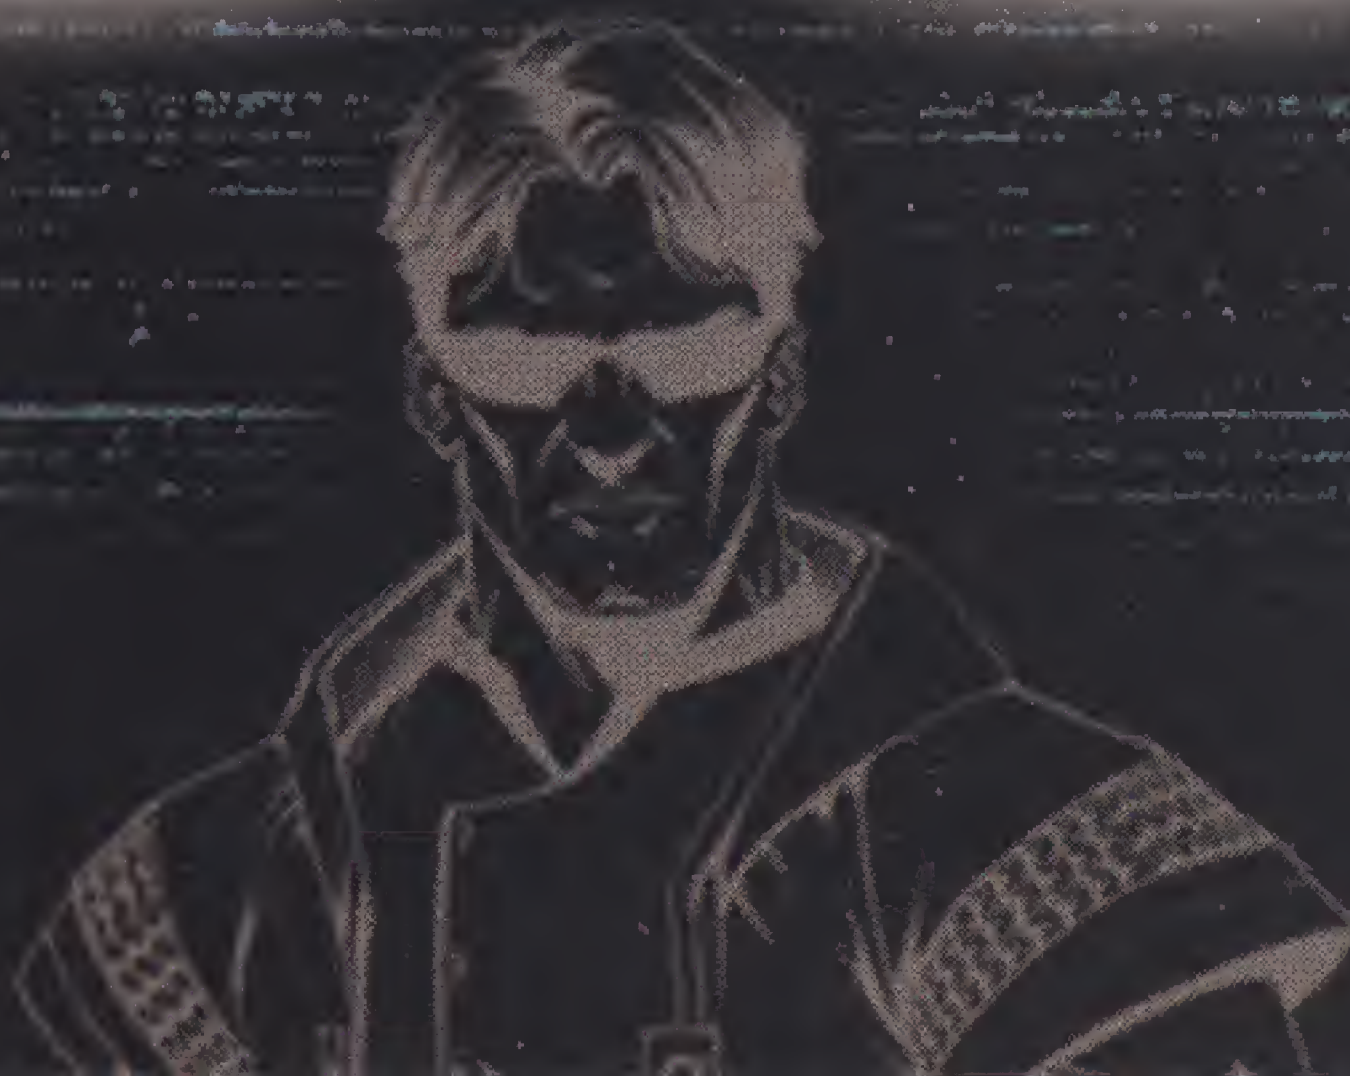

Deus Ex™

ROLE PLAYING

KEY FEATURES

- From Warren Spector, creator of the Ultima™ series.
- Game engine is designed to adjust to each player's own style: the choices a player makes, changes the way in-game characters react.
- Uses ID Software's Quake II Unified Engine Technology.
- Develop your character's strengths as you see fit, build a network of allies to assist you, or trust no one and destroy the enemy before they have a chance to destroy you.

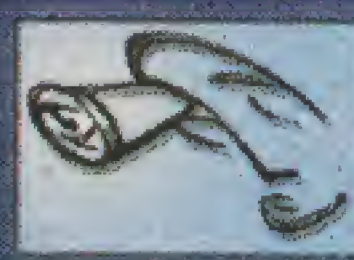

Set in a strange medieval city of great stylized detail, Thief: The Dark Project takes first-person action adventure games to a new level by adding stealth, subterfuge, and mystery to the genre. This is the thinking man's shooter – with a dark and devious twist. Stalk through the silent corridors of a sleeping city and ambush its unsuspecting guards. Eavesdrop on your foes as they coordinate their manhunt in real-time digital audio. As Garret, the smart and mysterious main character, you must use sneaky tactics to throw off your opponents and get to the next level.

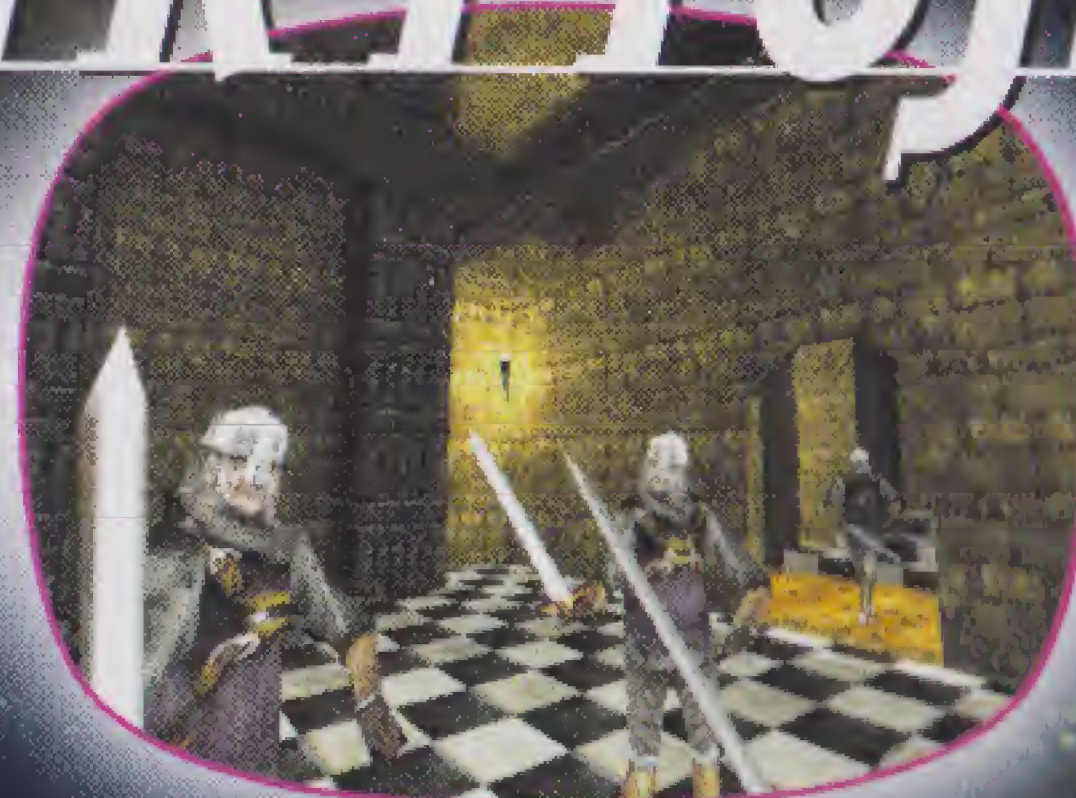

Thief: The Dark Project™

ACTION / ADVENTURE

PC
CD

LOOKING
GLASS
STUDIOS

KEY FEATURES

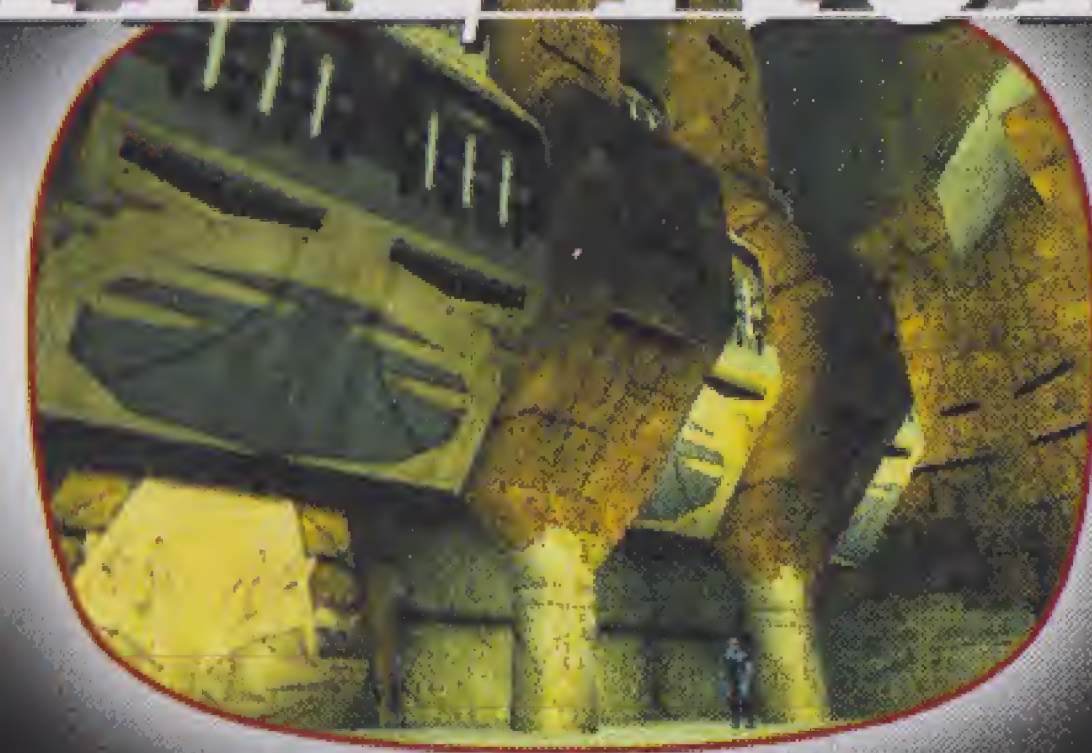

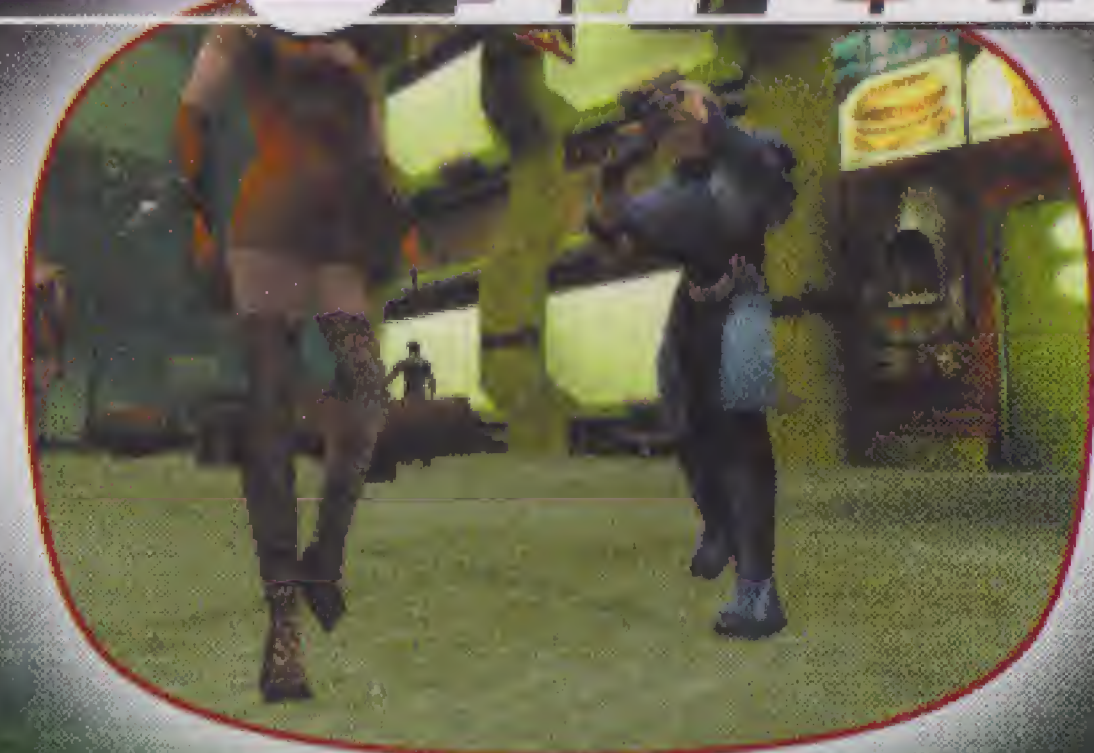

- Infiltrate and explore more than 16 mission areas, from sewers to an abandoned church.
- Real-time first-person 3D graphics engine, with extended capability available for 3D graphics accelerators.
- Realistic physics simulation.
- Mission-based game play with an in-depth supporting storyline.
- Provides realistic simulation of fire, water, wind and their effects in the game environment – flammable objects catch fire, buoyant objects float, heavy objects can be used to block doors.
- Raycast light-mapping with moving light source highlighting.

With an ingenious story-line, dazzling art direction, and state-of-the-art 3D effects, Omikron is a real-time fantasy adventure like no other. Get sucked into an involving 3D adventure – with complete freedom to move, interact and function within the stunningly realistic environments of a futuristic parallel universe. Maneuver through the crystal domed city of Omikron, where the evil thousand-year-old Prince of Demons, Astaroth, is collecting souls. Your mission – dive into the body of an Omikron inhabitant and make sure Astaroth doesn't succeed in his plan to conquer and dominate the universe!

Omikron: The Nomad Soul™

ACTION / ADVENTURE

quanticdream

KEY FEATURES

- Ground-breaking features include the very first use in a video game of 3D human facial motion capture in real-time.
- One of the best real-time 3D engines available today.
- Compatible with 3D cards in Direct 3D™ and Windows™ 95 and 98, featuring fog, opacity and translucency effects.
- Experience "virtual reincarnation", the ability to move directly into the body of the first person who touches you after you die.
- All combat moves and dialogues are entirely animated with advanced 3D motion-capture technology, including incredible fighting moves executed by martial arts world champions.

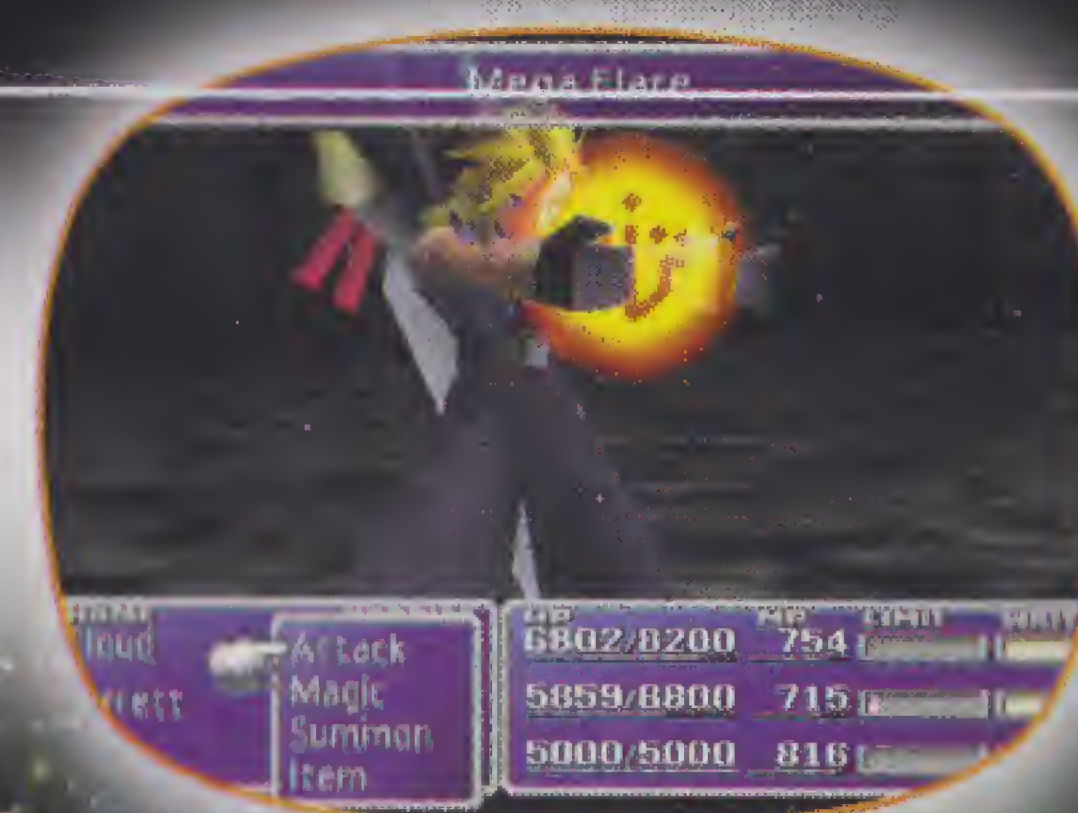

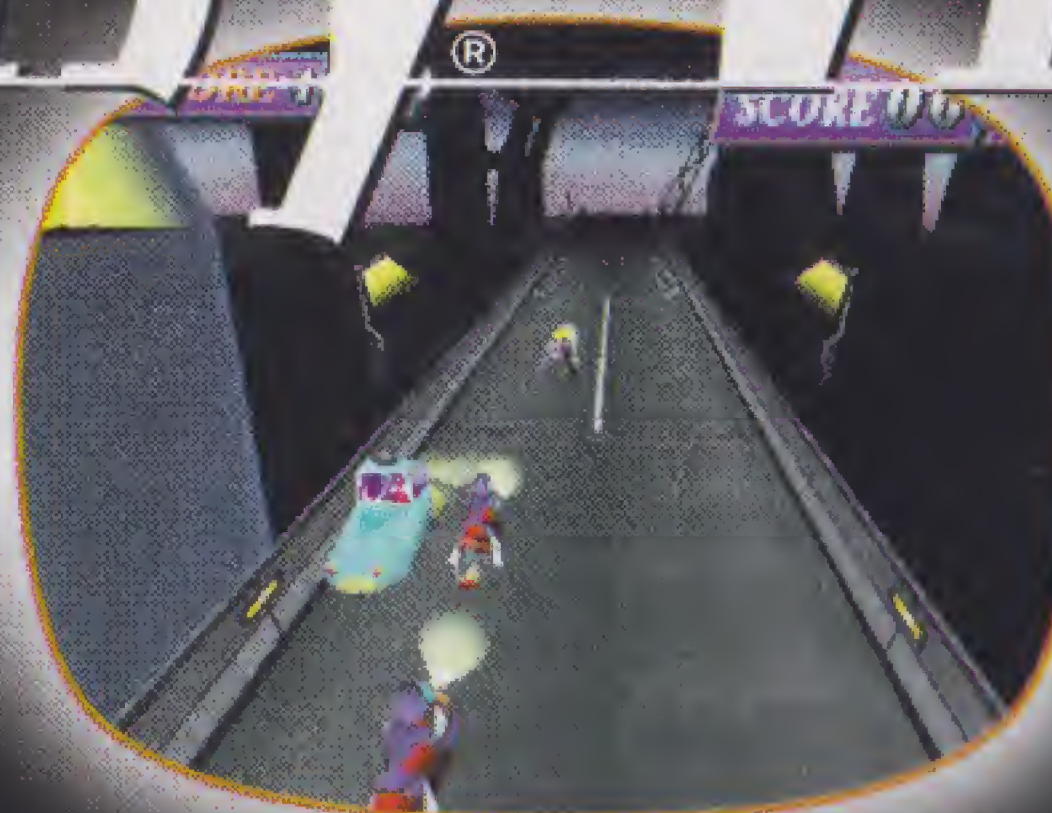

Final Fantasy VII, the latest installment of the best selling game franchise in history, now makes its debut on the PC. This rich and graphically intense epic adventure is the classic match of good versus evil. Assume the heroic role of Cloud, who teams up with the resistance group AVALANCHE to save the world from the malicious Shinra, Inc. Final Fantasy VII features seamless 3D gameplay and contains hundreds of pre-rendered, computer-generated backgrounds with real-time battles, vast map screens, and a captivating story line that will blow you away.

Final Fantasy VII

ROLE PLAYING

SQUARESOFT®

KEY FEATURES

- More than 50 hours of seamless gameplay, and more than 60 minutes of detailed full-motion video.
- One of the largest and most richly detailed gaming experiences ever created.
- Incredible spells and magic powers.
- Nine playable characters, each with their own unique background and skills.
- A variety of vehicles to navigate through the various locations in the enormous FFXVII world.
- State-of-the-art, turn-based battle system.

Welcome to a strange and beautiful world where evil characters, bizarre creatures and magical spells lurk in the darkness. Locke D'Averam is Revenant, a resurrected warrior from an earlier age, summoned back by a powerful warlord to rescue his abducted daughter. Remembering nothing of his earlier life, Locke slowly recovers his fighting skills as he explores shadowy catacombs, collects magic objects, and battles a myriad of deadly monsters. Dynamic, action-packed gameplay requires tactical thinking to explore, interact, solve puzzles, and engage in brutal combat scenarios.

Revenant™

ACTION / ROLE PLAYING

CINEMATIX

KEY FEATURES

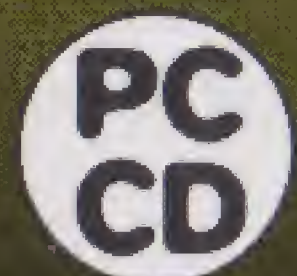

- Multiplayer RPG fantasy gaming - up to four players!
- Unparalleled intensity and realistic combat with motion-captured animations.
- Featuring more than 40 characters, each with multiple weapon types and their own fully-animated style
- 65,000-color graphics, animated 3D characters, true light sourcing and coloring in Direct 3D™. Revenant is compatible with every 3D accelerator on the market.
- Spectacular environments where you are free to explore following the non-linear storyline – and hack a few monsters along the way.
- All original music created exclusively for Revenant by Ronie Moorings of the European band, Xymox.

Protect your forces and blow away the opposition with the most advanced AI and feature set of any real-time strategy game. Warzone 2100 brings you directly into the battle zone, with killer sound effects and full scorched 3D landscapes and terrain. Change the camera angle to spin around or zoom in or out from ground- or air-view perspectives. Research new components, then customize and build your units and beef up your forces with AI-controlled command bots that take action automatically once they learn your tendencies. Warzone 2100 delivers truly individualized combat.

STRATEGY

KEY FEATURES

- Build and develop dynamic fighting units to your own unique needs and specifications.
- Sophisticated Artificial Intelligence systems govern unit combat and behavior.
- Amazing 3D terrain with realistic line of sight.
- Camera rotation angles allow you to see 3D landscapes from ground or air views.
- Multiplayer support for 2-8 players.
- Immersive cut scenes and sound track.
- Three rigorous campaigns to play out in more than 38 missions.

Follow in the footsteps of Scottish hero William Wallace, taking on the might of the English army to gain your freedom! Braveheart combines real-time strategy with global management in a brutal reenactment of the war between sword-wielding Scottish clansman and expansionist English forces. With the latest 3D engine and state-of-the-art motion capture technology Braveheart delivers unparalleled combat realism.

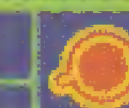

Braveheart™

STRATEGY

red lemon

red lemon studios it's a game thing!

PC
CD

KEY FEATURES

- Take the role of Scottish hero William Wallace as he rallies his troops against other clans, and eventually leads Scottish forces against the English.
- Based on the award winning motion picture "Braveheart" starring Mel Gibson.
- 8 player network play in co-op or competitive mode.
- Combines real-time strategy gameplay within a turn-based, build an empire game.
- Dozens of different clans to choose from offer a different style game every time you play.
- Realistic 3D terrain makes the battles a true test of tactical and strategic skills.

Think you have what it takes to be a Wise Guy? Gangsters lets you play mob boss of a brutal organized crime family. Set in a Chicago-style city of the 1930's, you work the gritty underworld of the Mafia, dealing in extortion, illegal liquor, prostitution, violence, intimidation, gambling and gang warfare. Starting as a fledgling crime lord, you must be ruthless and devious in your business while maintaining good relations with the general public – and avoiding the prying eyes of coppers and the FBI.

Gangsters: Organized Crime™

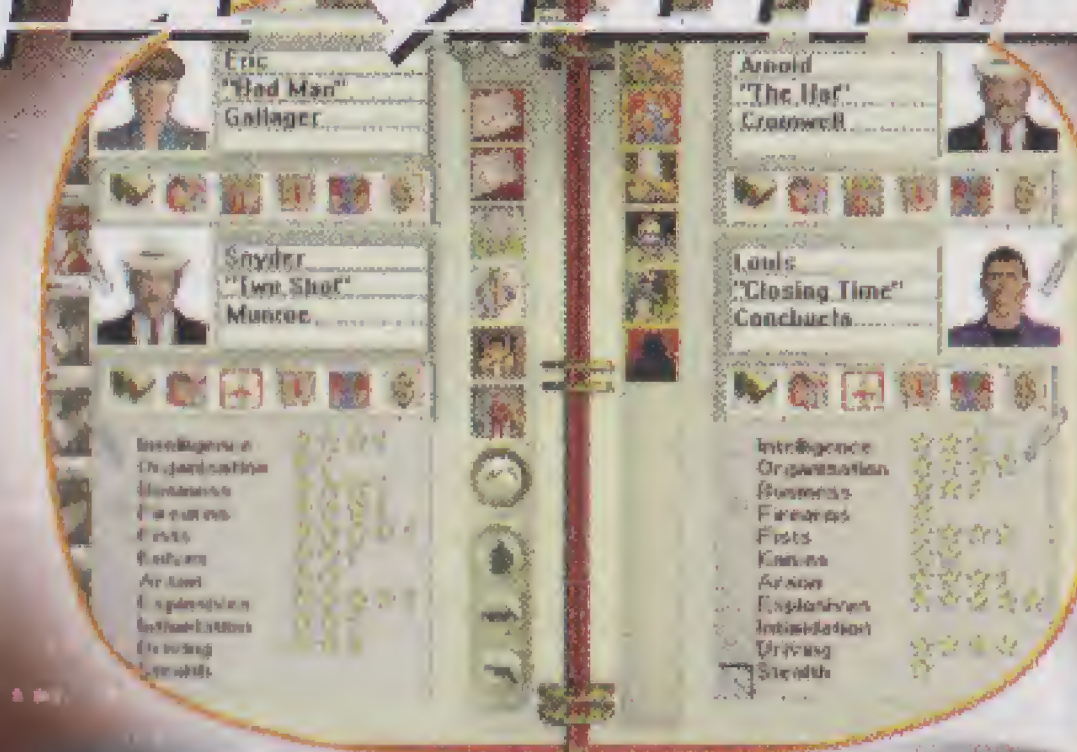

STRATEGY

PC
CD

KEY FEATURES

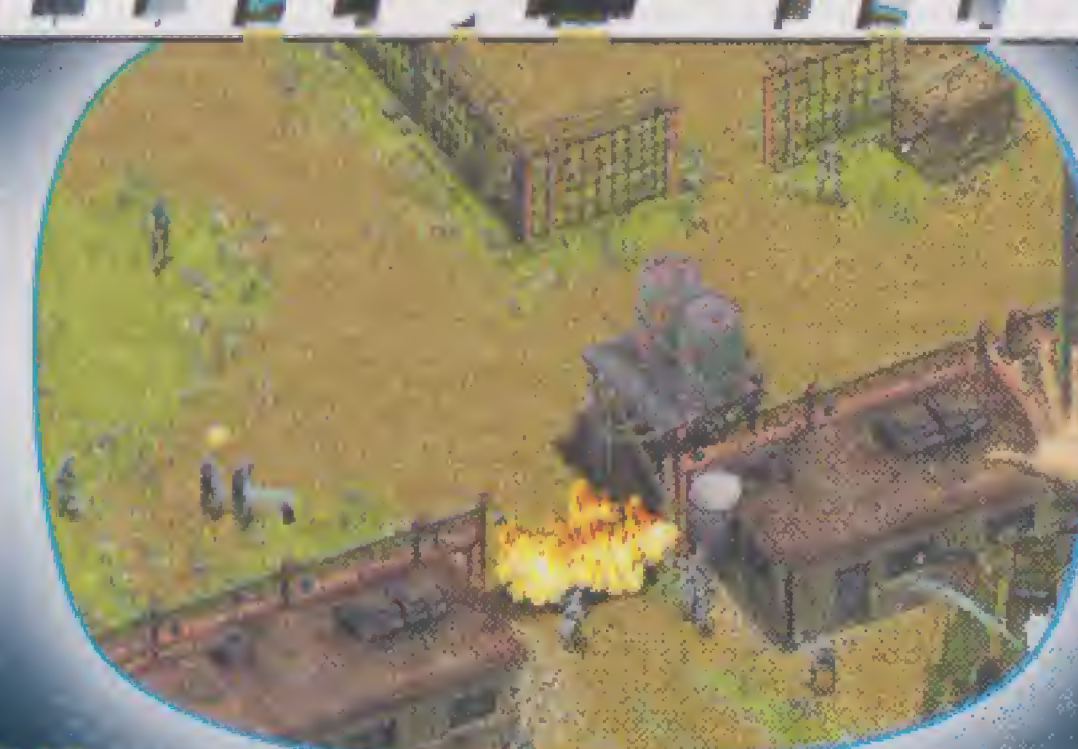

- Unparalleled depth of play as you control every aspect of a 1930's-era mob.
- Hire, fire, and "bump off" employees of your organization.
- Both in-depth strategic planning and real-time tactical gameplay.
- Evade the FBI with front companies that conceal your illegal activities.
- Recruit from a pool of 400 gangsters for your organization; each with unique skills and assets.
- Arm your gangsters with a myriad of 1930's-era weaponry and equipment.

Engage in the ultimate battle of wits and wills as you lead the most ruthless military force in history. Set in the backdrop of WWII, *Commandos* is a real-time tactical wargame that puts you in charge of an elite squad of Allied Commandos who must complete 20 dangerous missions behind enemy lines. Your goal is to thwart the German war effort by means of sabotage and tactical genius. Perilous missions take you from the parched desert of North Africa to banks of the Rhine, the mountainous fjords of Norway, and the beaches of Normandy.

*Commandos: Behind Enemy Lines*TM

STRATEGY

KEY FEATURES

- Visually stunning graphics with accurate 3D models of more than 350 structures, vehicles, and weapons from the WWII era.
- Real-time combat that stresses strategy & tactics over firepower.
- 20 totally different missions that take place in North Africa and Europe.
- Extremely advanced AI system that controls over 40 enemy vehicles and troops.
- Six commandos, each with a unique combat ability, including piloting boats, planes and ground vehicles.
- Co-op multiplayer mode on a LAN or over the internet via Mplayer.com.

Urban Chaos™

ADVENTURE

KEY FEATURES

- Realistic city simulation featuring a huge variety of characters, vehicles and transport systems.
- Engage in hand-to-hand combat with multiple adversaries.
- Realistic environmental effects include night, day, fog, snow, and rain.
- State-of-the-art graphics engine includes 3D volumetric fog, true wall-hugging shadows, atomic matter simulation for extreme scenery interaction.

Prepare to enter a turbulent urban cityscape at the end of the millennium. It's a lethal world of anarchy and confusion, where predictions of Armageddon may be more than mere fantasy. Immerse yourself in a real-time, truly 3D environment and explore every corner of a living, breathing city in constant turmoil – from rooftops to subways to sewers. Use stealth, physical agility, devastating weaponry and martial arts skills to battle multiple adversaries in your quest to rid the city of vicious gangs. Dynamic, first-person camera angles, ground-breaking graphics engine, fluid 3D combat and remarkable story line create an unforgettable cinematic experience.

Legacy of Kain: Soul Reaver pushes the PlayStation to the limits with incredibly fluid graphics and realistic environments. As Raziel, stalk Nosgoth feeding upon the souls of your enemies as you seek to destroy your creator – Kain. Battle 5 different clans of vampires as you explore a vast 3D world dominated by a ruthless dynasty. Master complex puzzles with your unprecedented ability to interact with objects. Suffer the consequences of your actions! Non-player characters remember your actions and treat you accordingly. New streaming technology assures no load times to interfere with your total immersion in an epic-struggle for dominance.

Legacy of Kain: Soul Reaver™

ADVENTURE

KEY FEATURES

- Real-time morphing. Shift between the material and spectral realms.
- Discover the mysteries of Nosgoth a millennium after Kain's ascension, as you uncover your own twisted past.
- Seamless gameplay. No load times!
- Grim gothic story supported with full-motion animation, in-game cinematic events and compelling voice-over.
